Dear 14th FAPA Bureau,

It is my honor to receive the 2016 FAPA Ishidate Award for Pharmaceutical Research from the Federation of Asian Pharmaceutical Associations (FAPA). I am writing to express my sincere gratitude to the FAPA and the committee for selecting me as a recipient of this valuable award. Professor Morizo Ishidate and the FAPA Bureau have endlessly supported and inspired Thai and Asian researchers to develop and improve their research contributions in all areas of Pharmaceutical Research. I was thrilled to learn of my selection for this honor and I am deeply appreciative of your support.

As an awardee, I make the commitment that I will not just be present at the opening ceremony, but will also continue to work together with FAPA and in future FAPA congresses. If I can help FAPA in any way at all in the future, please just get in touch. Additionally, should FAPA have anything with which they would like me to be involved, please do not hesitate to let me know.

Once again, my thanks to the 14th FAPA Bureau. I am committed to my pharmaceutical research and to my continued work together with FAPA, thanks to your continued generosity and the FAPA Ishidate award.

Sincerely,

Praneet Opansopit
