

My name is Pornpen Pramyothin, FAPA Vice President and President of FAPA College of Pharmacy (FAPA-CP). I have involved with FAPA activities since 1996. At that time the concept of FAPA-CP was established and FAPA-CP was inaugurated on May 17, 1998 with main aims of elevating and enhancing pharmacy practice through special training of professional degree (FACP). After 20 years of participating with FAPA, I realize that as pharmacists, we can bring prosperity to our pharmacy profession for sustainable development through participation and collaboration. So please join in FAPA activities and do something good together.
